

**Position:** Elderly and Healthcare Workers

**Location:** DENMARK (Lolland Municipality)

Do you want to work in the Elderly and Healthcare Sector in a welfare state where mutual trust between citizen, employee and manager is paramount?

**Lolland Municipality**, in Denmark, is looking for **skilled elderly care and healthcare professionals** with the will and ability to relocate to Denmark, learn the Danish language and take on important and responsible tasks in our home care and care centre teams.

You will begin by joining a group of international newcomers and an extensive onboarding programme with Danish language course, relocation support and introductions to the workplace and to the local area.

**Main tasks - individually tailored competence development or formal education, based on your skills and practical experience:**

- Personal care and practical help for citizens with physical or mental disabilities
- Using welfare technology and digital aids of various kinds
- Supporting citizens' rehabilitation and advising their relatives
- Contributing to a meaningful everyday life through conversations
- The work will take place in a care center, or as home care in private homes
- At the care centers too, you seek to create a homely environment with meaningful activities.

**Required profile:**

- Education and training in elderly care or healthcare
- Practical experience in providing personal help within elderly or healthcare
- Willing and able to learn Danish. After two years in Denmark, you are expected to be able to complete the official Danish language course for newly arrived adult foreign nationals
- Motivated to learn and comply with our approach and ways of working in the Elderly and Healthcare Sector
- Ability to work both independently and in teams
- Good relational, interpersonal and communication skills
- Responsible and honest, empathic and caring, persistent and resilient
- Good at getting on with all kinds of citizens and have an approach that acknowledges people
- Very good English skills
- At least 12 years of schooling (level 3)
- Valid driving license (category B) and able to ride a bicycle
- Citizen of an EU/EEA country, Switzerland or a Nordic country
- If selected, a criminal record will be needed.

### The employer offers:

- Permanent contract
- Net salary: 15800 DKK/month (+/- 2100 €) at the time of hiring + 13% pension and paid vacation
- 37 working hours per week
- Basic Danish language on-line course before moving + intensive Danish course after moving
  - Before you arrive in Denmark, you must follow an online Danish course in twelve weeks, two days a week (of 2.5 hours + preparation)
  - After your arrival in Denmark, you will attend an intensive Danish language course that lasts approximately 4 months + Healthcare introduction course
  - During these 4 months you will receive a basic salary of 2100 euros / net / month
- The employer offers information and assistance to ease your relocation, e.g., facilitate the initial registrations and help to find housing
- If you have a partner and/or children, a relocation requires careful consideration. The employer - Lolland Municipality - are committed to ensuring that the move is successful for everyone, providing all the support and assistance needed.
